CRITERION I – CURRICULAR ASPECTS

1.1 – Curriculum Planning and Implementation

1.1.1 – Institution has the mechanism for well planned curriculum delivery and documentation. Explain in 500 words

Smt. C.B.Patil Degree College is affiliated to Gulbarga University, Kalaburagi. The university has a prescribed syllabus for every subject the college follows this syllabus which is prescribed by the University. Our academic calendar is based on the timeframe provided by the University. The principal in consultation with the management plans and prepares calendar of events for the years. This is communicated to the entire college through the various departmental heads. It does not have the freedom to develop the curriculum it follows the syllabus prescribed already by the Gulbarga University, Kalaburagi. The college has one academic plan i.e. a semester system from 2006 June. The Principal asked to prepare term plans of teaching from each faculty and this is a follow up by the heads of each departments. The college also ensures that faculty prepares a daily teaching plan for the entire terms. According to university system of education every student must have 75% physical presence in all classes in order to appear for the semester end examinations. Though Smt.C.B Patil Degree College initiates 80% attendance, students may remain absent for various personal reasons. Then such student have to meet the professor whose classes of she/he missed should take up an assignment to demonstrate that she / he has covered the matter. Needs assessment: 1. Students' requirement to have the basic idea. 2. To make the students' for better citizens. Designing and development: Both these are carried out as per needs and maturity level of the individual students desiring the courses and studying essential individual grades without bias. Planning: planning is carried out in such a way that the normal classes of the general courses and classes of the designed course never coincide & that the teachers & students never face any practical problem of disturbances. Objectives of the curriculum are achieved by framing the teaching learning plans. The teaching learning plans' are in accordance with the learning objectives started by the university in the syllabus of each subject. Further the delivery of teaching learning plans is being analyzed through monthly monitoring written sheets with every departmental meeting are conducted to ensure that syllabus in classes is fulfilling the stated objectives and are achieved while implementing. The faculty can't claim that the syllabus has been finished if the students did not understand it exhaustively, but the faculty has to repeat the saying till the students understand clearly. The staff also Conduct Remedial classes for slow learner and study tour, industrial tour and field work as a part of the curriculum. The principal monitor about the completion of syllabus by the end of the semester and overall activities of the college.

2.5.2 – Reforms initiated on Continuous Internal Evaluation(CIE) system at the institutional level (250 words)

Smt. C. B. Patil Arts and Commerce Degree College Chincholi affiliated to the Gulbarga University , Kalaburagi, the syllabus formulated by the University. All faculty follow methods to carry out a continuous internal evaluation system at the institutional level. This allows the students to understand each concept individually as well. After taught of the each topic in detail, various assessments in the form of unit tests, tutorials, open book exam, surprise test, seminars, Group discussion are conducted by all Dept. Teachers take a detailed discussion about the topic as per the University question format and gives the students a clear understanding of what to imagine for academic exam. Students are made aware of the evaluation process by orientation program at the beginning of the course, an academic calendar with the continuous internal evaluation (CIE) dates displayed on the college notice boards. These tests allow the teachers to continuously assess the students to track their progress and to identify slow and advanced learners. Evaluation is done both in theory and practical examinations. The assessment remains impartial and truthful. The

performance of the students is monitored by the Head of Department and The institution is keen on monitoring the performance of the students and reports to the parents. Whenever necessary, the academic department shall recommend the visit of the parent to the college for a discussion about the student. Remedial Classes are conducted for the slow learners.

2.5.3 – Academic calendar prepared and adhered for conduct of Examination and other related matters (250 words)

The institution ensures operative time management and timeliness. It accepts the University given timeline and obeys to it. In the beginning of the academic year, academic calendar is published by the institution for each year of B.A and B.Com programm which gives a time plan for the curricular as well as the extracurricular activities for the students. This calendar allows the teachers and the students to space out their teaching, learning and regular assessment of the same. The college conducts assessment of the students in different components unit test, surprise test, open book test, internal test, seminar, group discussion and practical. The pattern and the marks distribution of all the components is as per the university format. They are recorded with their respective course outcomes that are stated in the beginning of the course. These tests are conducted in evenly spaced out intervals to avoid pressuring the students with too many examinations. Every academic year is split into two semesters. An average of best of the two internal examinations is calculated to attain the final internal marks of the student. These marks are also vitalized to decide the course of nature for teaching slow students and rectify their performance before the university examination. An internal theory examination is conducted at the end of their semester to following the institution calendar of events. Every department has follow college time table to delivery of syllabus. Every teacher follows a strict agenda that is discussed and approved by the head of their respective departments. This is followed by deducing a day to day division of topics and chapters. The timeline created allows the students to complete the given syllabus in enough time. The students are given plenty of time before the examinations to prepare and practice their concepts. In any condition, the academic calendar is followed and respected by teachers of all departments.

7.2 – Best Practices

7.2.1 – Describe at least two institutional best practices

Best practices are those which add value to human life and support main cause of an institution. It helps in the development of an institution a means to

perform social responsibility. It can change the life of whole institution as well as individual stake holders. The identification of the best practices depends on many variables like vision and mission of the institutions, global concerns, local context, nature of learners, competencies of staff, infrastructural facilities and governance and management. All these plays vital role in identification and implementation of best practices. Best practices according to NAAC the practices which add commendable value to an institution and its various stakeholders are considered as reliable benchmarks or standards of quality. The best institutions are those which widely used them. To put it differently, institutional excellence in higher education is the aggregate of the best practices followed in different areas of institutional performance. Education has become competitive so as the educational institutions. In order to survive the competition, institution has to improve the quality of their services. Changes in culture, aspiration and levels of skills required in securing employment for students force higher education institutions today to rework on their educational models and add value to each and every aspect of their services, innovation and best practices serve to enhance quality and add value. Our College has identified and implemented innovations and best practices to differentiate itself among the competition and to add value in its educational services. On the basis of vision and mission and the environment of our institution we are undertaking different types of best practices to bring innovation and new ideas.

1. Title of the Practice: Distribution of Fruits, Bread, Biscuits and other eatables to inpatients at Taluka Public Hospital by staff members on the occasion of their birthday. 2.Objectives of the Practice: i) To help the poor and needy ii) To promote positive behavior iii) To have sense of purpose and satisfaction. 3. The Context: Fruits are an excellent source of essential vitamins and minerals and they are high in fiber. Fruits also provide a wide range of health boosting antioxidants, including flavonoids. Eating a diet, high in fruits and vegetables can reduce a person's risk of developing heart disease, cancer. Citrus fruits and berries are especially powerful of curing diseases. They are also the immunity boosters. 4. The Practice: As the Taluka Health Centre is situated in front of our college, all the staff members of the college have decided to distribute Fruits, Breads, Biscuits, Dry Fruits and other eatables to the inpatients and needy on their birthday. The main objective of this is to provide nutritional food in order to improve their immunity so as to prevent the diseases. 5. Evidence of Success: The staff and students are taking much interest in this practice. The beneficiaries i.e the patients were also feeling happy and were showing their gratitude towards the practice. They expressed their wishes to the donors too.

This practice develops the principle of owners consent

8.Future Plans of Actions for Next Academic Year

Plastic free Campaign: Plastic is everywhere now a days people are using it endlessly just for their comfort. However, no one realizes how it is harming our planet. We need to become away of the consequences so that we can stop plastic pollution. Plastic has become one of the most used substances. It is seen everywhere these day from super market to common household. Why is that ? why is the use of plastic on the rise instant of diminishing? The main reason is that plastic is very chief. Secondly it is very easy to use. Plastic can be used for almost anything either liquid or solid. Moreover. It comes in different forms which we can easily mould. Plastic pollution is effecting the whole earth, including mankind, wildlife, aquatic life. it is spreading like a disease which has no cure. We all must realize the harmful impact. It has on our lives so as to avert as soon as possible. Plastic pollutes our lands as well. When humans dump plastic waste into landfills, the soil gets damaged. It ruins the fertility of the soil. **Plantation programme:** plantation plays an important role in maintaining the balance in the nature. It has a great impact on the environment by reducing the incidence of global warming. Trees provide oxygen and that is necessary for human beings to live. Lands and trees take up carbon dioxide that human exhale from their body. Moreover greenery gives pleasure to human eyes. Deforestation creates havoc in nature and ends up increasing the levels of greenhouse gases on earth. Plan to organize seminar/conference/workshop to enhance the research thought in faculty and students. A seminar/conference or workshop for the purpose of the enlighten information related to quality maintenance in higher education, such as a lecture, speech, presentation by arranging technical session ,where the participants engage in the discussion of an academic subject for the aim of gaining a healthier insight into the particular subject . Or it may given detailed information or training about a specific field. Plan to organize The Faculty Development Programme (FDP) for teaching and nonteaching staff. Because FDP has intends to provide financial assistance to facilitate upgradation of knowledge, skill and anticipates providing opportunities for initiation training to teachers employed in disciplines of social science, Language and commerce. Plan to facilitate the students with online certificate course by setting up Swayam Nptel Local chapter in college with the approval of the Principal which will be under the headship of a faculty member of the college, who would be Single Point of Contact (SPOC) of swayam NPTEL. It is an integrated MOOCs distance education aimed at offering all courses from school to post graduation level. This programme initiated by Government of India to achieve equity and quality. Curriculum bases Courses in humanities and social sciences, commerce, management, interdisciplinary areas which were helping Students to employable skill in the higher education program through online.
