**1.1 Curricular planning and implementation**  
**1.1.1 The Institution ensures effective curriculum planning and delivery through a well- planned documented process including Academic calendar and conduct of continues Internal Assessment. ( Explain in 500 words)**

Hyderabad Karnataka education society's Smt. Chinnamma Basappa Patil Arts and Commerce Degree College, Chincholi is affiliated to Gulbarga University, Kalaburagi. The university has a prescribed syllabus for every subject, the college follows this syllabus. Our academic calendar is based on the time frame provided by the university. The principal of the college in consultation with the management plans and prepare calendar of events for the academic year. This is communicated to the entire college through the various heads of the department. The college does not have the freedom to develop their won the curriculum but it always follow the syllabus prescribed by the Gulbarga University. The college has academic plan i.e. semester based system from 2006 June. The principal directing to prepare teaching plan of every department and this should be followed by all the heads of the department. The college also ensures that faculty prepares teaching plan for the each semester. According to university guidelines every student should have 75% attendance in order to appear for the semester end examination. Though our institution initiates 80% attendance must. If the student may remains absent for various personal reason, then such students have to meet the teacher whose classes of he/she missed should compulsorily take-up assignment to cover the syllabus.

To make the student for better responsible citizen, designing and development: these are carried out as per needs and maturity level of the individual student desiring the courses and studying essential individual grades without bias, planning. Planning is carried out in such a way the normal classes of the general courses and classes of the designed course never coincide and that the teachers and students never face any practical problems. The main objectives of the curriculum are achieved by the framing the teaching learning plans. The teaching learning

plans are in accordance with the learning objectives stated by the university in the syllabus of each subject. Further the delivery of teaching learning plans is being analysed through monthly monitoring return sheets with each and every departmental meeting are conducted to ensure that syllabus in classes are fulfilling the stated objectives and they are achieved while implementing. The faculty cannot say that the syllabus has been finished even if the students didn't follow, in that case the teacher has to revise concept till the student understand clearly. The staff members have to be conduct remedial classes for slow learners through the simple method of teaching. To upgrade the quality of the student teachers are conducting educational tour, industrial visit, fieldwork and etc. as a part of the curriculum the principle of the college and IQAC committee monitoring all the academic activities of the college by the end of the semester.
