MENTOR AND MENTEE *report*

2019-20

THE COLLEGE MENTORING PROGRAM STRATEGIES PLAN

Smt. C. B. Patil Arts and commerce Degree College chincholi has maintain the Mentor mentee relationship for one-to-one relationship to promote the professional and personal growth of a mentee. A mentor provides essential information, gives feedback, encourages, provides emotional support and promotes their mentee to others whenever possible. The goal of student mentoring is to help all students to Professional gains through greater information and career enhancement, personal gains through psychological reward, pay attention to their own futures and develop to their personality with full academic and personal potential.

MENTORING PROGRAM

Mentoring Program in college identifies strategy deployed the level of mentoring and guidance. Mentors work in a variety of settings that face a wide range of constraints and challenges. Developing strategies and approaches to effectively carry out mentoring activities within different settings presents a unique set of challenges. The documents in this section provide mentors with suggestions and ideas for various approaches to mentoring, including conducting bedside teaching, carrying out site visits, mentoring in the face of heavy patient loads, and strategies for addressing a wide range of systems-issues. Different approaches and activities mentors can use for teaching, training, and strengthening systems at a site.

Mentoring strategies can use for teaching, training and strengthening higher education.

1. The first session focuses on the general strategy and the mentoring relationship's roles.
2. Identify frequent concerns in the second session.

3. Provide direction for developing skills such as decision-making, communication, and stage courage in the third session.

4. Mentees might be encouraged by their talent and admiration.

STUDENT MENTORING CELL

Higher education's goal is to help people become self-sufficient, capable of supporting society and nature, and ultimately capable of contributing to a country's development. A large proportion of students come from rural areas, and they have a diverse range of backgrounds and educational experiences. They are inexperienced with the collegiate setting, and they will face a range of problems as their academic careers advance. The institute's goals are likely to be unknown to students. The student should have knowledge and skills that are relevant to both his or her subject of study and his or her position as a responsible citizen. The following are the objectives and strategies of the Student Mentoring Cell:

OBJECTIVES OF THE STUDENT MENTORING CELL

1. To help students and teachers form a positive working relationship.
2. To ensure that students' academic and professional performance is at the highest level possible.
3. Instilling in kids human ideals

COLLEGE METHODOLOGY OF MENTORING:

- It is a discussion on day-to-day activities or daily life activities.
- The dialogues should provoke thought.
- It is need for exposing ideas ,influencing their views, achieving values.and realising values.

Following are the topics for discussions during mentoring session

- ✚ Students life aspirations, family or parents expectation
- ✚ Human Needs of Self and social Relationships
- ✚ Academic activities and achievements

Areas of Review:

Attendance: The mentor will keep track of the mentee's attendance. Mentor will advise and take required actions about mentee's attendance in accordance with University norms.

Academic matters: During the mentee's continual assessment, the mentor will maintain track of the mentee's overall academic achievement through counselling and, if necessary, remedial teaching.

Discipline Matters : You have to demonstrate extreme patience to be a strong and motivating leader. It's a show of courage not to offer everything you really like. Wherever you practice this self-restraint, it will add, the role of discipline in our life long achievement.

Health and Well being : Take note of students' good health and welfare in the form of daily physical activity and exercise. Exercise not only keeps our bodies fit, but it also maintains our minds healthy. The combination of feeling well and operating well has been termed as well-being.

Achievements, Talent and Co-curricular activity : Assist students in developing problem-solving, reasoning, critical thinking, creative thinking, communication, and collaborative abilities by organizing Co-Curricular Activities. These types of activities can be included into the academic curriculum to help students acquire talents outside their subject expertise and achieve their goal.
