CRITERION 7 - INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 Institutional Values and Social Responsibilities

7.1.1 Measures initiated by the Institution for the promotion of gender equity and institutional initiatives to celebrate / organize national and international commemorative days, events and festivals during the last five years .

Response:

Gender equity is the most cherished and nourished principle of our college. Smt.C.B.Patil Degree College Chincholi has started a co-education college in 1983 to provide qualitative education to rural poor student particularly to encourage girls , on the principal of Equal status, equal opportunity, empowerment of women has come down to our institution right from its inception. Smt.C.B.Patil College has co-education and a large number of girls seek admission. Institution has student council in which we have giving preference to girls. From each class one boy and one girl are elected as class representation. Women cell, anti-harassment cell, anti-ragging cell are in operation. Senior women faculty has been given responsibility to monitor and check gender bias. If anywhere any untoward incident occurs in the campus the College authority will take action and punishes the evil doers. We have a separate ladies room, wash room, toilet for girls. Periodically, we organize gender equity and sensitization programmes by inviting

successful and renowned women entrepreneurs, professionals of high profile and motivational speakers. Security guards are appointed and posted at main gate and in front of college gate in order to provide safety and security to girls in the campus. A separate hostel facility is provided to them. Women empowerment is implemented in full spirit. The management of the institution has recruited more than 50% of women in teaching staff. On the occasion of International Women's Day we organize Seminar, Special lecture, talk by renowned women right activists thereby, and sensitize students of rights of women and gender equity. Girls are given equal opportunity to participate in co-curricular activities held at college campus and in different venues at outstations. In these cultural competitions they have come out with flying colors. Girls of our institution have enrolled in NSS Volunteers, and participated in various activities like Special camp, Rally, Health awareness programs, Plantation program, Environmental awareness program and Disaster Management Program, etc. On Indian constitution, fundamental rights, Right information Act, human rights and many programmes are organized to create an atmosphere of gender equity.
