6.1 Institutional Vision and leadership

6.1.1 The Governance and leadership is in accordance with the vision and mission of the Institution and it visible in various institutional practices such as decentralisation and participation in the institutional governance.

Response:

Vision

The Vision of our institution

- To realize the need in imparting higher education in this backward region, encouraging the poor supporting depressed and up righting the neglected students of rural backward with harmonious blending of action, emotions and intellect.
- To provide education that helps transformation of individuals and society.
- Development of students to be effective citizens.
- Empowerment of women and underprivileged.
- To provide opportunities for higher education to all sections of society.
- To promote self- reliance, economic growth, employment and social and national integration.
- To help improve productivity of human resources.

The Mission of our institute is:

- The mission of our institution is to create social awareness to place the students in the main stream of the society, enabling discipline self respect, self reliance and motivating leadership qualities in students.
- Human Resource Development through programs for faculty and students.
- Establish administer and infrastructure development in our college.
- To keen in reach to the learners and respond to their needs.
- To chart a helpful career and academic path for the students.
- To benchmark career goals offering academic excellence.
- To follow the global to promote equality and social justice. Trends not forgetting the local relevance.

The united approach of the Management, Principal, IQAC and Faculty to develop and implement the quality policy in order to uphold the mission and vision of the college. The Governing bodies of the college works in close collaboration with the principal to regulate and maintain the scholastic Environment required for the purpose. The Principal as the head of the Institution along with the members of the Teaching and Non-Teaching staff implement the decision and policies of the Management being ahead of the family, Principal personally communicate with staff members to ensure that there are not encountering any problems with regards to their work.

The various committees meet regularly to discuss and impart decisions with regards to academic and extracurricular activities of the college. The Management encourages the faculty for research work and the Institution strictly adheres to academic calendars to accomplish its objectives. The faculty members are also have good communication with the parents through the parent's teachers meeting once in a year to discuss the overall progress of the students. Parents' suggestion and their constrictive advise are consider while formulating the polices.

The college also collects feedback from the students which are incorporate within the purview of the future plan of action plan of the Institution. In order to alleviate the interior complex the students are encourage to participate in co-curricular activities such as seminar, debate, inter collegiate competition, workshops, inter collegiate culture and sports competition etc. The Management specially ensures the welfare of the staff members through salary increment, festival advance, medical assistance on concession basis and provision for leave whenever necessary.

As ours is a private education institution the college promotes participative management ideas pertaining to academic goals, organizational progression and better and better stake holders help in infusing appositve attitude that leads to increased efficiency, improved communication, heightened moral, motivation and job satisfaction. Believing in decentralization, the management takes policy decision, finance, infrastructure etc. with the help of arts, Science and Commerce College convener of the management who is appointed by the president of the Society. Matters related teaching and administrative staff decisions are taken at these levels are implemented.
