DETAILS REPORTS OF PROGRAMME

Report of the **One day National level Webinar on impact of GST on " Small Business in Rural India"** Organized by Department of Commerce and Rural Development on 10.03.2021.

The Webinar started with Saraswativanada(Prayer) by Mrs. Deepakatti lecturer in Economics and a welcome speech by Dr. Shrishail Nagral, the principal of our college. Dr. Bheemashankar. C. Bilagundi the president of our society had inaugurated the Webinar and delivered the inaugural speech.

In his inaugural speech Dr. Bheemashankar. C. Bilagundi said that the Goods and service tax (GST) launched by the Government of India in July 2017, has revolutionized the way the business is carried out and the way a tax system works. Era of accountability and transparency Dr. Bheemashankar C. Bilagundi also mentioned that this has also paved the way of eliminating the tax related corruption to large extent lastly. Dr. Bilagundi concluded his speech by quoting a kannada proverb " ಎಡೆಕಾಹಿಯಾದುದುರಾಕೇವಲಯೆಡು.

The keynote address was delivered by Dr. Basavaraj. S. Math, Dean faculty of Commerce and Management GUK, In his keynote address Dr. Basvaraj said the GST was launched at midnight on 1 July 2007 by the president of India and Government of India - After its launch multiple times, the largest being on 22nd October 2018, Dr. Basvaraj said, GST is a comprehensive, multistage, destination based tax; comprehensive because it has subsumed almost all the indirect taxes except a few state taxes, Dr. Basavaraj in his address explained that the goods and services are divided into five different tax slabs for collecting tax 0%, 5%, 12%, 18%, and 28%, However after completion of technical session II the most interesting part of the Webinar, i.e involvement of participants for the open discussion was started as it is equally important for the success of Webinar. Most of the participants had put up their queries and views in the chat box. All the questions raised by them were answered by the resource persons with great enthusiasm. In the real sense the webinar was very interesting and fruitful one.
